

COMPOSITE GARDEN SHEDS

Our premium quality fully insulated composite garden sheds offer a secure, damp and moist free outdoor storage space for your valuable possessions.

Store your expensive lawnmowers, bicycles, electric cycles, motorcycles, garden and DIY tools without worrying about deterioration, rot, rust or easy theft.

Choose from a variety of different sizes external clad in a choice of either Fibre Cement, Smooth or Woodgrain composite cladding.

If you're running out of space and finding it difficult to store your valuable possessions safely and securely the best solution is a fully insulated and secure composite garden shed.

You can easily store: Lawnmowers and gardening tools, power tools, exercise equipment, children's toys, garden furniture and cushions (without going mouldy!) BBQ's, sports gear, camping gear, golfing equipment, audio equipment for parties and anything else which is valuable and taking space up in the garage or house.

All our garden shed prices include delivery and complete on site installation within a 100 mile radius from our head office. Please call for delivery charges outside the 100 mile range.

Each fully insulated secure composite garden shed is installed with the minimal of disruption, typically within 1-2 working days and without the need for planning permission.
